

Missing Numbers (II)

Copyright: www.mathinenglish.com

Calculate the missing numbers and look them up in this word search.

$$14 \times \underline{\quad} = 168$$

$$16 \times \underline{\quad} = 480$$

$$11 \times \underline{\quad} = 990$$

$$22 \times \underline{\quad} = 286$$

$$19 \times \underline{\quad} = 266$$

$$18 \times \underline{\quad} = 306$$

$$14 \times \underline{\quad} = 266$$

$$18 \times \underline{\quad} = 198$$

$$20 \times \underline{\quad} = 360$$

$$15 \times \underline{\quad} = 300$$

$$13 \times \underline{\quad} = 650$$

$$25 \times \underline{\quad} = 250$$

Solution

+ + + E + + + + Y + N +
N + + + I + + T + E T T
+ E N + + G F + E + W +
+ + E + N I H T + E E +
+ + E T F E E T N + L +
+ + T + N N V T E N V +
+ + R + I E Y E + E E Y
+ + I N + + V + L + N T
+ + H + + + + E + E + E
+ Y T R I H T + S + + N
F O U R T E E N + + + I
+ + + + + + + + + + N
