

Largest and Smallest

Name: _____ Score: _____

What is the largest number you can make with these digits.

123456 _____

125763 _____

5672200 _____

0098529 _____

908552 _____

330042 _____

525990 _____

2340931 _____

1702453 _____

3000078 _____

What is the smallest number you can make with these digits.

637384 _____

163738 _____

0099060 _____

9800765 _____

175637 _____

188366 _____

200987 _____

009988 _____

8393032 _____

7383871 _____

Answers

What is the largest number you can make with these digits.

123456 654,321

125763 765,321

5672200 7,652,200

0098529 9,985,200

908552 985,520

330042 433,200

525990 995,520

2340931 9,433,210

1702453 7,543,210

3000078 8,730,000

What is the smallest number you can make with these digits.

637384 334,678

163738 133,678

0099060 699

9800765 56,789

175637 135,677

188366 136,688

200987 2,789

009988 8,899

8393032 233,389

7383871 1,337,788
