

# 9 by 9 Numbricks Puzzles (Very Hard)

Fill the grid with the numbers 1 to 81 to make a non-stop connecting path. You may connect the numbers horizontally and vertically (not diagonally). You must connect all 81 numbers.

9		7		69		79		81
13				67				75
15		19		41		47		61
23				43				59
29		31		33		55		57

		41	40	25	24	23		
		60				14		
		59				13		
		56				6		
		53	66	65	4	5
