

Largest and Smallest

Name: _____ Score: _____

What is the largest number you can make with these digits.

34574 _____

12340 _____

48970 _____

34509 _____

12427 _____

19900 _____

55638 _____

33500 _____

12209 _____

44688 _____

What is the smallest number you can make with these digits.

65431 _____

77346 _____

43357 _____

40001 _____

10808 _____

10098 _____

04123 _____

98710 _____

60088 _____

33567 _____

Answers

What is the largest number you can make with these digits.

34574 75,443

12340 43,210

48970 98,740

34509 95,430

12427 74,221

19900 99,100

55638 86,553

33500 53,300

12209 92,210

44688 88,644

What is the smallest number you can make with these digits.

65431 13,456

77346 34,677

43357 33,457

40001 14

10808 188

10098 189

04123 1,234

98710 1,789

60088 688

33567 33,567
