?	C	A
puzzle 3

Which number completes this shape sequence ?

6   12   8   ?
puzzle 4

Which number completes this number pattern ?

18		
11	25	
7	15	35

19		
21	17	
30	12	22

21		
24	18	
?	14	22
Answer to brain teasers

puzzle 1 :   12
The difference between 12 and 7 is 5, just as with all the other combinations in the circle.

puzzle 2 :   E
Each row follows a decreasing pattern by 2. E minus 2 is a C.

puzzle 3 :   10
Multiply the number of sides of each shape by 2.

puzzle 4 :   34
The cell above 2 cells is the average of these 2 cells.
