

puzzle 1

What is the missing letter in this pattern ?

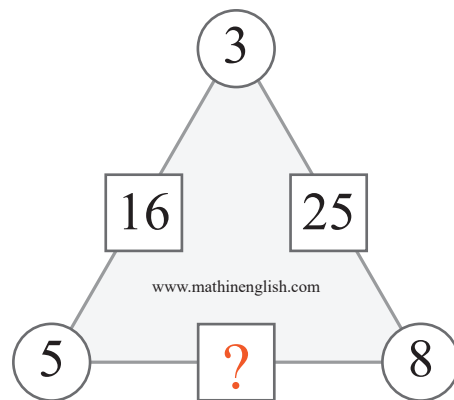

puzzle 2

Which letter is missing here?

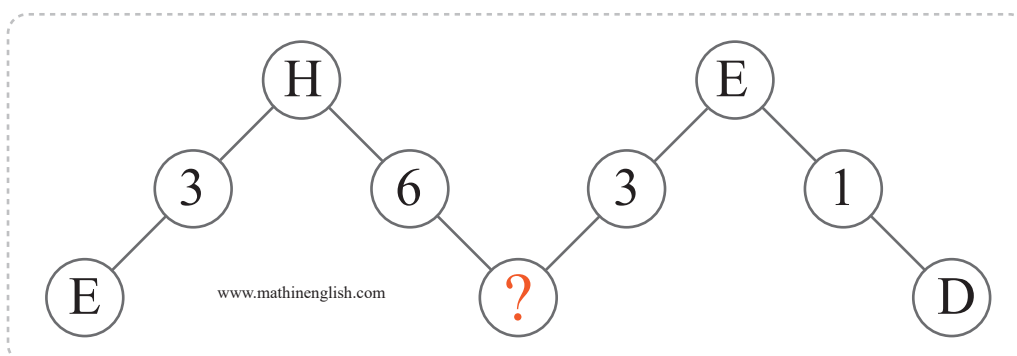

puzzle 3

Which letter completes the pattern ?

puzzle 4

Which letter completes the sequence ?

Answer to brain teasers

puzzle 1 : I

Multiply the number of sides of each shape by 3 to get the letter value.

puzzle 2 : 20

Each 'leg' adds up to 40, the middle number.

puzzle 3 : 41

Multiply the opposite corner numbers and add 1 to the product.

puzzle 4 : B

The middle numbers are the difference between the 2 connecting letter values.
